

General Guidelines for Hybrid Committees PASMUN 2023

Before the Conference:

Delegates should have Videoconferencia TELMEX downloaded before PASMUN to avoid any last minute technical issues.

The platform can be downloaded here:
https://telmex.com/web/negocios/descarga_aplicacion_video

Committee sessions will be held on Videoconferencia TELMEX.

During committee sessions:

- Delegates must enter the session using their country's name.
- Camera's must be on for the entirety of the sessions, unless the Chair is notified by an Advisor of technical difficulties.
- Delegates will be muted unless they are going to participate.
- Delegates must maintain diplomatic behavior throughout the Conference. This includes formal attire. If this guideline is not met, the delegate will be given a warning.
- Advisors must enter the session with the following name: "Advisor - Name - School".

Committee Links:

- There is a different session link for each day. You can enter the session by directly clicking on the link. In case they might be needed, the ID and password have also been provided.
- Links must not be shared with anyone who is not participating as a Delegate or Advisor. Anyone who is present in the session and is not a Delegate or Advisor will be removed.

Position Paper submissions:

- Position papers must be submitted at the end of the 1st session. Chairs will provide the email address in each committee.
- Position papers must be submitted in order to be considered for an award.
